

# N★C STUDENT CONNECT

**NC Student Connect is a partnership across state government providing resources and technology for educators and students in all 100 counties.**

**84,540**

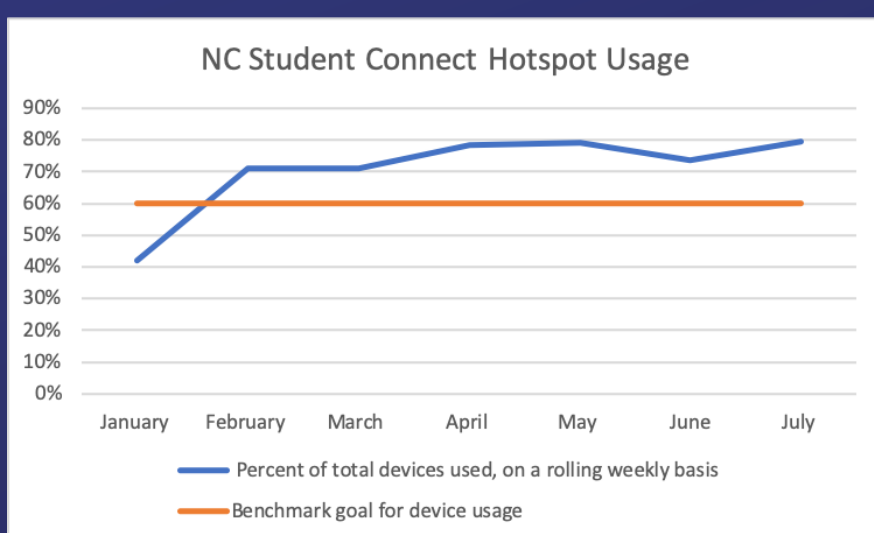

**Hotspots with unlimited data deployed to students at N.C. public schools and charter schools**

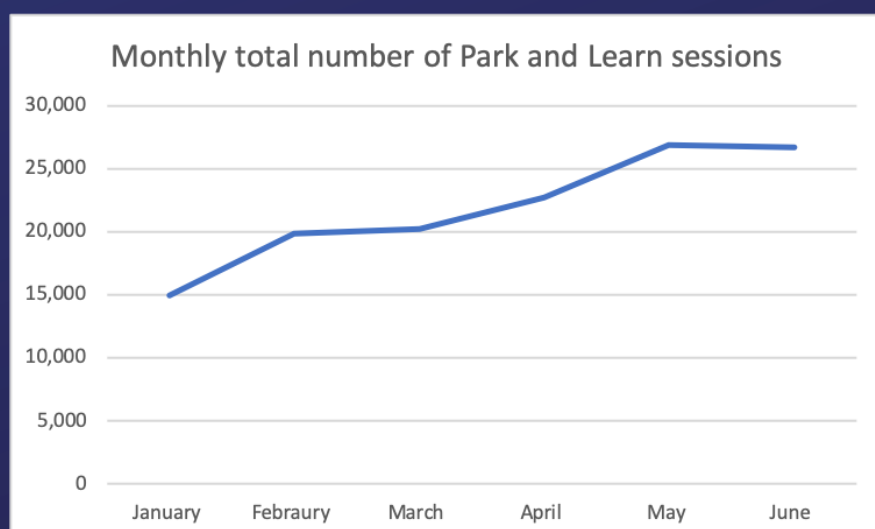

**458**

**"Park and Learn" outdoor wifi sites across the state, available to students and community members alike**

**60% usage of the hotspot fleet in a given week is the benchmark of a successful program. NC Student Connect has consistently surpassed this goal and is a national leader in connectivity programming.**

\*Usage data above sourced from Kajeet hotspot devices, a subset of our NC Student Connect Fleet.

**In the month of June, the 458 'Park and Learn' outdoor WIFI sites hosted more than 26,500 internet sessions**
